

Tech Rider: Jesse Favre

Jesse Favre utilizes Microsoft PowerPoint on her personal MacBook for her presentations. (If an onsite laptop is preferred by the client, Jesse can bring a copy of her presentation on a flash drive. Please specify if a laptop is available in advance.)

Jesse will need:

- Projector*
- Screen
- HDMI to laptop connection
- Lapel microphone

**If possible, please share the room layout and type of projector (front projector or rear projector) in advance of the event.*

Jesse will not need:

- Lectern

Please send questions to Support@JesseFavre.com.
